

In the previous Acworth UMC communications, we have mentioned that this Sunday, February 7, 2021, is “Be Renewed” Commitment Sunday. My hope is that you will make it a priority to participate in worship this Sunday. The goal is to have all church family members present.

I am asking you to prepare to respond this Sunday in worship. Your card is included in this mailing. Please use it as a prayer prompt this week as you (or your family) makes a commitment decision. My desire is for all active families to make their commitment to God’s work at Acworth United Methodist Church this Sunday during worship, whether in person or virtual.

The enclosed Generosity Toolkit was created to offer some practical ways for you and your family to determine how you can take the next step on your generosity journey and grow in your giving. We are all being challenged to be “Be Renewed” in our commitment to giving back to God and are offering ideas on how you can take the next step. I hope you find this piece helpful and maybe even a little challenging as you pray about and discuss what your giving will be for next year.

I look forward to worshipping with you this Sunday.

Your grateful servant in Christ,
